*Our friendship has taken on new
meaning
In the long time since.
We traded comic books and shared
The same heros.*

*Now we rarely see each other,
But when we do meet,
We set for hours discussing our lives,
And it is as though we never parted.*

*It is comforting to know
That what ever happens
Weather good or bad,
There is a friend who will understand*

WINTER

The background of the page is a photograph of a winter scene. It shows a vast, snow-covered mountain range under a pale sky. In the lower foreground, there is a calm body of water, possibly a lake or a wide river, which reflects the light from the sky. The overall tone is serene and cold, with soft whites and muted blues and greys.

I finally learned that there
Was in me an invincible summer.
